

TURN BACK TIME

(Music/Lyrics – Filippou Papakyriakou)

What have you done?
You broke me down, you left me crawling
and you're gone
I see your smile, you thought you fool
I am alone...

I can't deny...
I played your game no matter what
would be the price
I didn't care, I was so lost into
your eyes

Taking my breath away
now the time has passed beyond you and I

You think your lies
your golden cries, will ever warm
a frozen heart
Unworthy of love, you never tried to
understand...

I gave all my best for you
I was wrong and there's nothing more to do

**If you could turn back time
If you could make things right
It's too late
for one more chance**
